LUXURY CAMPING HOLIDAYS IN EUROPE

Service and quality

We think it is extremely important that every customer who has booked a holiday with Roan is satisfied and feels appreciated. This year we have received the Zoover Award for “Best Camping Holiday Company” for the fifth time! It is rewarding to see that our products and services its high level status is appreciated by our customers. Delivering quality often takes some time and effort, but it is definitely worth it in the long run.

Our Roan accommodations are designed in a way that you can spend most of your time outside to enjoy outdoor living. All of our spacious deckings are covered and most of them have a luxurious and comfortable lounge sofa.

The life at a Roan campsite is mainly lived outdoors. Dining outside, relaxing and recreation outside, playing outside, making friends outside, outdoor sports and swimming in an aqua park or at the beach. All as much as possible under the pleasant Mediterranean sunshine.

Yours sincerely,

Jeroen van Heusden
Managing Director

This is why you book at Roan

You can always rely on us to keep our promises!

No empty promises at Roan! When we promise something, we always keep our word. Nobody understands better than we do just how important it is to be able to rely on excellent accommodations and service.

Fairly new and immaculately-maintained accommodations

We only choose the very best materials and replace our mobile homes, lodge tents and tents as soon we discover that they are no longer meeting our high quality standards.

Building on more than 30 years of experience

Roan was founded in 1986. From the very beginning, we have always done everything ourselves, including finding the best campsites, measuring the pitches, ordering the mobile homes and tents and erecting and dismantling them. By doing everything ourselves, we are able to retain our exceptionally high quality standards!

Our own representatives at all our campsites

Our own Roan representatives are employed at all the campsites. On your arrival, they will welcome you with a refreshing cold drink and will remain at your disposal throughout your stay. They are there to help you if you need a doctor, dentist or even a garage!

Free Roan children's bikes available at most campsites

Most campsites have our special Roan bikes available for children under 6 years of age. Bicycles with or without stabilisers, sturdy BMX bikes, tricycle and sometimes even balance bikes are all available for your kids to use throughout their holiday!

Only the best campsites and mostly the finest pitches on the campsite

We never simply choose a campsite for our accommodations at random. In fact, we first inspect all our prospective campsites and only the best campsites with the finest pitches are taken into consideration!

No questions are too silly for us!

No questions are too silly for us and if we do not know the answer straight away, we make it our business to find it! Most of our travel specialists have been working for us for many years. They generally visit many campsites during their study tours every year. You won't get better advice from anybody else!

Free cancellations until 1 February 2021!

Go ahead and book your holiday now! You can always cancel your booking before 1 February 2021 without paying any extra fees!

Roan has existed for over 30 years!

1992

2020

We know better than anyone else just what an excellent camping holiday should be like!

In 1986, Roan first started renting out several furnished tents on a campsite in France. Today, we are offering accommodations in as many as 99 campsites spread over 7 countries! Our many years of experience have shown us exactly what you expect from a camping holiday!

From the start, we always do everything ourselves: first we search for the best campsites, then measure the pitches, then source the finest materials, then construct and renovate the tents, and, finally of course, assist you in choosing your camping holiday. **You can rely on more than 30 years of experience!**

Every year we check all our campsites

Only top-of-the-range campsites

Roan is only interested in top-quality campsites! Before we place our accommodations on a campsite, we personally visit the campsite for a thorough inspection. We pay careful attention to the quality of the facilities, the pitches, the swimming pools, the entertainment and the atmosphere of the campsite.

This means that sometimes we have to say 'no' to a particular campsite, simply because the quality does not meet our high 'Roan standards'!

Every campsite on our books is unique in its own way: the one campsite is vibrant and bustling with plenty of facilities, whereas the other is smaller and quieter. In our assortment, you will find terraced campsites as well as campsites located on flat ground, accessible to everyone! One thing is certain: at Roan, you will only find top-quality campsites!

Roan representatives

A welcome with a smile!

On every campsite, you will find our own representatives

On every campsite, you will find our own Roan representatives. Our representatives are mainly Dutch couples (they speak English), who are older than 45 years and who have had plenty of life experience plus Roan experience! Often, these couples return year in and year out at the same campsite! All our Roan representatives have been professionally trained.

On arrival, our Roan representatives are always there to welcome you with a refreshing cold drink and then personally accompany you to your accommodation. They are always available for any questions or other practical matters, including information about

the area, so please feel free to contact them! They are also there to help you in emergencies, for instance, if you need a doctor, a dentist or a garage. The reception tent offers a wealth of information about the area, sightseeing tips, excursions and restaurants.

In Croatia, your contact representatives are Croatians, who speak excellent English and German and at campsite Tonnara by representatives.

We always welcome you with a smile!

FANCY WORKING AT ROAN CAMPING HOLIDAYS?

We are always looking for enthusiastic people who want to work on a campsite.

Would you like to work for a great company? Do you want to become part of an enthusiastic team, whose goal is to ensure that guests have a wonderful holiday? If so, we recommend you apply for this position as soon as possible so that, together, we can discover whether you are a suitable addition to our team.

A flexible job in the sun at the Netherlands' best provider of camping holidays in Europe.

A luxury camping holiday at Roan Camping Holidays guarantees a holiday in a well-maintained accommodation. We ensure that our own Roan campsite staff will always provide guests with excellent personal service.

As a campsite employee, you are the first point of contact for our guests. You welcome the guests upon arrival and accompany them to their accommodations. You are also responsible for managing the accommodations.

What are our requirements?:

Suitable candidates must be able to work independently and be flexible, hospitable and service-oriented, look representative and have a good command of the English language.

What we can offer you:

A job in a flexible organisation with direct communication lines, a pleasant working atmosphere in the sun, housing, clothing allowance, reimbursement of travel expenses, additional activities (e.g.: an instruction day, reunion and New Year's drink), plus an attractive commission on early bookings and bookings made on site.

Would you like to work at a top-notch campsite in Europe for a people-oriented informal company, where solidarity and respect for each other are of paramount importance? If so, we invite you to apply for a position at our company. Send an e-mail to pz@roan.nl with your letter of motivation and personal details.

Roan **travel specialists**

Most of our travel specialists have been with us for many, many years. Unlike many other camping organisations, our members of staff go on a study tour every year and they have learned so much about camping over the years!

We are all crazy about camping and that's why we often spend our holidays in our own Roan accommodations. In doing this, we have got to know our campsites and accommodations thoroughly and we are now able to offer you the best advice possible! You can always talk to someone

who has actually been to the campsite of your choice in person. And, remember, no question is too silly for us! If we don't know the answer right away, we will either simply ring the campsite manager in question or ask our own product team any specific questions you may have about the accommodation.

Monday to Thursday we are available for you by phone until 10 pm and on Saturday and Sunday you can ring us from 10.00 - 16.00!

You can always call us on 0031-(0)180-331177

Our children's' bikes

Most children would like to take their own bikes on holiday with them. So that's why we are the only organisation that has kiddies bikes at most of our campsites for your kids to use, absolutely free of charge! Our bikes are suitable for kids under the age of 7, but if your kids are older and can still fit comfortably on one of our bikes, then of course they can also use them! We have tricycles, bikes with and without stabilisers, and also sturdy BMX bikes for the kids to enjoy. For children between the ages of 2 and 4 we provide balance bikes for free in Italy, Austria and the Netherlands.

You can't reserve the children's bikes, but don't worry: we have enough of them! Some campsites we deem unsuitable for children's bikes, as the roads are too steep or if there are many pebbles. On the campsite pages you can see if we provide Roan children's bikes on the particular campsite.

In this brochure, this icon indicates which campsites include children's bicycles.

Up to the very last detail....

Accommodations designed by you!

We always listen to our guests!

Our accommodations have not simply been mass produced. At Roan, we have our very own product team, which is constantly developing and improving tents, lodge tents and mobile homes. All our accommodations are specially manufactured for us.

We only work with suppliers who provide top-quality materials. We always take the time to thoroughly discuss our concepts and proposals with our suppliers so that we can guarantee you the best possible product.

Of course, our campsite staff and maintenance teams inform us which improvements need to be made. However, the most important information comes from the surveys we receive from our guests. All your suggestions and comments are taken seriously and we always try to incorporate them in our new accommodations as far as possible.

Mostly the best places

We measure and evaluate the pitches ourselves

Roan has a good reputation for having the best pitches at many campsites. And there's good reason for that! We always check out the pitches ourselves first and then we measure them to evaluate whether they are good enough for our accommodations. We only place our mobile homes, lodge tents or tents there once we are fully convinced that it is the perfect place for your holiday!

We always pick out the best pitches at the campsites ourselves!

Tip-top service from our own campsite staff

Our own maintenance teams

Our mobile homes are well-cared for by our own (mostly) Dutch maintenance teams. Our teams know our accommodations inside out and know what our standard of quality is. They provide our campsite staff with technical support on a daily basis so if anything needs to be fixed in your accommodation, you won't have to wait long!

We understand better than anyone that your holiday should be relaxed and carefree and that any problems you may encounter need to be solved at once!

Love 2 Lounge

In 2015, we added a large, luxury lounge sofa to our Supreme mobile homes and, a year later, in 2016, we also added it to our Prestige mobile homes and Holiday lodge tents. Our guests are so impressed with our lounge sofas that we have decided to add them to other types of accommodation.

Can you imagine anything better than sprawling on a sumptuous lounge sofa with a nice drink after a tasty meal while the children play in the lounge area? All our decksings are exceptionally spacious and have been specially designed to accommodate a dining area with table and chairs on the one side, and a lounge sofa on the other.

All our **Holiday lodge tents**, **Vision Lounge** mobile homes, **Prestige Lounge** mobile homes and **Supreme Lounge** mobile homes have **lounge sofas on their decking!** At many campsites, our Verde and Excellent mobile homes have lounge sofas available, but they do need to be reserved. You can now also book our Venezia and Largo mobile homes, complete with lounge decking. Accommodations with lounge sofas can be identified by the name, "**Lounge**".

In 2019, we also added our Verde Relax and Excellent Relax mobile homes to some of campsites. The Relax model has a covered decking and is equipped with a double lounge sofa.

On the other side of the decking is a spacious **L-shaped lounge sofa** with large cushions and a coffee table. In this corner, the decking fence is transparent so you can see outside from this vantage point. The electronically-operated louvered roof is located on this side of the decking.

The kitchen in the Supreme model features large sliding doors while the living room has patio doors that lead to the spacious decking. The kitchen also has a large refrigerator with a separate freezer, a **dishwasher**, a kettle, a **Nespresso coffee machine**, a microwave and of course a full kitchen inventory. There is also one bed rail available to prevent your toddler from falling out of bed and all bedroom windows are fitted with mosquito screens. The bathroom has a large shower and modern wash basin and of course towels are also provided for you. There is also a separate toilet for added comfort. **There are 2 towels available per person, per week.**

Lodge tent **Holiday**

Photo: Camping Del Garda, Italy

- **3 bedrooms**
- **Sleeps 6 persons**
- **37,5 m2 (with decking)**
- **Lounge sofa with cushions**

In 2016, we introduced the Holiday lodge tent, a new and unique accommodation! What makes this lodge tent different is the amount of extra space it has thanks to its fixed canopy, which extends over the whole decking, plus the fact that the front of the tent can be opened almost completely!

The Holiday lodge tent is placed on a wooden decking and the **tillal surface area is a whopping 37.5 m²** (including decking). **The main section of the front of the lodge tent can be rolled up to create even more space!** The decking is enclosed and lockable. On the decking is a double **lounge sofa with cushions**, a dining table, 2 adjustable chairs and 4 tub chairs. The side of the canopy in the dining area is closed off, offering extra privacy and shelter.

The kitchen area includes a **lockable cupboard** at 'counter height', a **large refrigerator with separate freezer**, a **4-hob gas cooker**, a **complete inventory and a fan**. The Holiday lodge tent also has a drying rack and, of course, lighting.

There are three bedrooms in the Holiday lodge tent. The first bedroom has a double bed, 2 m long and 1.40 wide. The second bedroom has a bunk bed of 2 m by 0.70 and the third bedroom has two single beds of 2 m x 0.70. The second and third bedrooms are separated by a curtain, which can be rolled up to create one large room. All our beds come **complete with pillows and single duvets**, which saves you of bringing a lot extra luggage!

Our lodge tents also include a free charcoal barbecue, gas barbecue or griddle. Check out the camping pages to find out which type of barbecue is included with your lodge tent at your favourite campsite.

Reisduur en wisseldagen

Arrival and departure days are mostly on Saturdays, Mondays, Tuesdays and Thursdays throughout the season. Arrival and departure days may vary from campsite to campsite. Guests are required to stay a minimum of 2 nights throughout the season (at Vilanova Park the minimum stay is 4 nights).

Travel and cancellation insurance

We strongly advise you to take out travel and cancellation insurance. We can provide you with a cancellation insurance and with full information on this matter.

Booking fee

Booking fee cost € 24 for a booking of up to 8 persons and € 48 for more persons.

Roan Representatives

Roan employs its own representatives at all its campsites. These representatives are usually very experienced (always English-speaking). There are no Roan representatives at Tonnara. Here, you will be welcomed by the campsite staff at the campsite reception area. They are there to welcome you and your family on your arrival and to ensure that your accommodation is in tip-top condition. Feel free to contact them whenever you have any questions.

Pitches

We always try to get the best pitches. However, the size, location and the pitch ground can also vary from campsite to campsite. If a campsite is described as shady, it does not necessarily mean that it is entirely in the shade.

Tourist tax

You are required to pay tourist tax on arrival. This can be done at the reception area or with one of our representatives. In some cases, small children are free. At a number of campsites you already pay the tourist tax and any registration fees at the time of booking. Some campsites may require you to hand over your passport at the main reception area. This will be returned to you once you have paid the tourist tax or on your departure. Tip: many campsites accept a Camping Card instead of a passport.

Vaccinations

You are responsible for obtaining any necessary vaccinations.

Friends discount

If you recommend a new family to us and you both make a booking for a minimum of one week, you will receive a friends discount of € 25.

Preferences

Please state your preferences at the time of booking. Together with our campsite representatives, we will do everything we can to fulfill your preferences, although there is no guarantee. However, we do guarantee the "next-door-guarantee" warranty and the "Preferred-pitch". If, for whatever reason, your preference cannot be fulfilled, you will not be informed beforehand.

WIFI

Many campsites have WIFI and there is usually an extra charge for this. WIFI is often only available in the reception area or bar/terrace and is generally slower than at home. For further information, see the campsite description for your campsite. However, no rights can be derived from this.

Bookings may be cancelled or changed free of charge

If you cancel before 1 February 2021 you will not have to pay any cancellation! You can also change your booking while still paying early bird rates! If you change your booking after 1 February 2021 and this will result in a reduction of the price, partial cancellation costs will apply. N.B.: It is not always possible to lengthen or shorten your holiday, if shortening of your booking will lead to vacancy, 100% of the shortened period will be calculated as costs. Your deposit must be paid prior to the date shown on the confirmation booking but will be refunded if you cancel before 1 February 2021.

Swimming pools

Some campsites require guests to wear bathing caps when swimming. Check out the campsite page at website www.roancampingholidays.com to see where this applies. Some campsites do not permit men to wear swimming shorts or bermudas (particularly in France) and some swimming pools are closed during the afternoon siesta. In some places, age and height restrictions apply for the use of slides.
